

LEARNER ATTENDANCE POLICY AND PROCEDURE 2026-2027

SECTION 1: CONTEXT

1.1 The purpose of this Policy is to:

- Uphold Green Labyrinth's mission statement "Empowering Learning, Transforming Lives" for learners' attendance
- Provide clear guidelines to staff, learners, parents, carers and employers on learner attendance policy and procedures at Green Labyrinth.

Green Labyrinth recognises that good attendance is a key indicator of learner engagement, wellbeing, safeguarding and achievement. We promote attendance through positive relationships, early intervention, appropriate support and clear expectations, whilst recognising that individual circumstances may affect attendance.

SECTION 2: STATUS

2.1 This policy was approved by the Senior Leadership Team on August 2026

2.2 The Learner Attendance Policy links to the following:

- Learner Agreement
- Our Charter
- Learner Complaints Policy
- Fitness to Study Policy

SECTION 3: DEFINITIONS

3.1 Attendance means the time spent participating in all recorded Green Labyrinth's activities, for example, teaching, practical activities, tutorials and enrichment programme, and remote learning events, including work placement, volunteering and fundraising.

3.2 Green Labyrinth recognises that attendance may be impacted by SEND, SEMH needs, medical conditions, safeguarding concerns, bereavement, trauma or other vulnerabilities. Attendance concerns will therefore be considered within the wider context of the learner's individual circumstances.

3.3 There is no universally agreed international definition of the youth age group. For statistical purposes, however, the United Nations – without prejudice to any other definitions made by Member States – defines 'youth' as those persons between the ages of 15 and 24 years.

SECTION 4: EXPECTATIONS

4.1 Learners are expected to aim for 100% attendance. Whilst 100% attendance remains our aspiration, Green Labyrinth recognises that some absences may be unavoidable and will work with learners to remove barriers to attendance wherever possible.

4.2 Regular and consistent attendance at Green Labyrinth is essential for learner success and achievement.

4.3 Each case of learner absenteeism will be treated individually as there may be a wide range of issues impacting on attendance.

4.4 All staff and learners understand the attendance expectations and procedure in this policy.

4.5 Attendance concerns may also form part of wider safeguarding, wellbeing and learner support discussions where appropriate.

4.6 Green Labyrinth understands that there are valid reasons for learner absence, such as illness, bereavement or medical appointments. Learners are to inform the college of any known absences.

SECTION 5: PROCEDURE

5.1 Learners

- Learners report any absence to Green Labyrinth by phone, text or email. The email is spadmin@greenlabyrinth.co.uk, or you can call on 01793 236245 or text 07886 258319.
- Learners should inform a member of the admin team if they know of any period of absence in advance.
- Absences on grounds of ill health which are greater than 7 days will require a medical certificate. These arrangements apply to both face-to-face teaching sessions and to remote learning.
- Learners expecting prolonged absenteeism are advised to speak to their mentor to discuss the possibility of alternative study arrangements and learner support.

5.2 Green Labyrinth Staff

- Staff will work collaboratively with learners, parents/carers, employers, key workers and external agencies where appropriate to improve attendance and address barriers to engagement.
- Teaching staff and the mentor team
- Teaching staff and the mentor team will monitor attendance data on a regular basis and manage interventions.

- It is the responsibility of the teaching staff to complete the register completely and accurately each lesson.
- In the case of a learner not attending, staff need to ensure that non-attendance is recorded on the appropriate register. In the case of a learner notifying Green Labyrinth of an authorised absence, a member of the admin team will record this on the appropriate register.
- Parents, carers, employers and other key workers will be notified of any absences by the most appropriate means of communication.
- Any attendance concerns from staff are to be referred to the mentor team and relevant teaching staff.
- In the event of continued absenteeism, the process detailed in 5.3.2 will be implemented by admin, teachers and mentor team.

5.3.1 Attendance Ranking

A learner's attendance will be reported on using the following parameters:

Percentage Attendance	Judgement	Ranking
0 – 60	Unsatisfactory	Red
61 – 80	Requires Improvement	Amber
81 – 90	Good	Green
91 – 100	Excellent	Dark Green

5.3.2 Attendance Monitoring

Green Labyrinth monitors attendance electronically through Arbor. Electronic reports flag attendance concerns to appropriate staff for timely intervention

Five underlying principles will be adopted for attendance monitoring:

- 1 All staff will build attendance requirements and arrangements into the induction process for all new learners.
- 2 Each learner will be treated individually.
- 3 A message will be sent to the parent/carer as well as the learner themselves when they are absent.
- 4 Intervention will begin once a learner's attendance drops below 80%. *From 2026, electronic reports will flag up poor attendance per week to appropriate staff.*
- 5 All teaching staff will maintain registers and logs with details of learners' non-engagement in face-to-face, online and home learning.

When a learner's attendance falls below 80%, their mentor and/or teacher has 3 options:

- **Option A: No action required**

Author: E Gallagher
Version/Date: 12.08.2026
Review Date: 12.08.2027

Staff member will address attendance concerns with learner and continue to monitor attendance. This may be the most appropriate action in a first instance of attendance dropping. If there is a barrier identified, appropriate support will be offered. Where attendance barriers are identified, reasonable support and adjustments will be considered.

▪ **Option B: Disciplinary action**

Attendance information gathered by staff does not indicate that health issues or personal circumstances are preventing the learner from attending. In this case the mentor will:

- a. issue a 'verbal warning' to the learner.
- b. send details of attendance to parent, carer and the learner.
- c. start a 2-week Conduct Review.

▪ **Option C: Fitness to study**

When information gathered by staff raises health issues and/or personal circumstances which are genuinely preventing the learner from attending their programme of study. In this case the mentor will:

- a. discuss with mentor team and management with details on why the 'Fitness to Study' policy should be activated.
- b. decide action required to support the learner and meet compliance requirements. A 1:1 with Careers Coach, a second Conduct Review or an alternative placement may be options to consider.

5.4.1 First Occurrence of unauthorised absence below 80% or lower

When a learner's attendance falls below 80% for the first time the actions that will be taken are:

- Text message sent to learner and parent/carers.
- Record of absence on register and other relevant documents.
- If learner indicates an issue with a subject, exam or unit, mentor to refer to delivery staff to provide support to learner.
- Mentor to record attendance details and monitor the learner's progress on relevant documents and system when implemented.
- Learners will still be expected to provide evidence such as GP notes to their mentor if requested.
- Decisions regarding attendance interventions will be reasonable, proportionate, supportive and responsive to individual circumstances.

5.4.2 Second Occurrence of unauthorised absence below 80% or lower

When a learner's attendance falls below 80% for the second time, the actions that will be taken are:

- Learner flagged as Amber risk.
- Text message sent to learner and parent/carers.
- Mentor meeting to discuss attendance concerns and solutions with learner and inform parent/carers.

- Conduct Review considered by mentor team.

5.4.3 Third Occurrence of unauthorised absence below 80% or lower

When a learner's attendance falls below 80% for the third time, is significantly low or has not improved after two Conduct Reviews, the actions that can be taken are:

- Learner flagged as Red risk.
- Text message sent to learner and parent/carer.
- Mentor meeting to discuss attendance concerns and solutions with learner and inform parent/carer.
- Learner is placed on Conduct Review if not already.
- Mentor to arrange a meeting or Fitness to Study Panel with a member of SLT.
- Failure to adhere to Conduct Review escalates place to serious review.
- Exit strategy and advice arranged.
- Learner may be offered a 1:1 Careers Coaching session or a place on a remote learning programme as part of this exit strategy if appropriate.

Attendance tracking is electronic through Arbor

- *Attendance records will be retained, monitored and shared in accordance with data protection legislation and safeguarding requirements.*
- *'Unauthorised' register mark triggers report to mentor team indicating occurrences of absence below 80% for RAG rating*
- *Data to be shared with relevant staff and parents and keyworkers*
- *Mentors and teaching staff to record attendance status on relevant documents, tracking and Arbor i.e. if learner is now on Conduct Review*

Please see Appendix One for Conduct Review

SECTION 6: MONITORING

6.1 This policy will be monitored by the Senior Leadership Team. Attendance data will be reviewed regularly to identify trends, vulnerable learner groups and any disproportionality affecting protected characteristics.

SECTION 7: REVIEW

7.1 The policy will be reviewed annually.

7.2 The next date of review will be August 2027.

7.3 Subsequent Reviews:
